ABOUT THE PARTNERSHIP

ELK COVE AND WET PLANET'S LONG-STANDING RELATIONSHIP

The Elk Cove team has rafted with Wet Planet every year for nearly two decades. In 2022, we're partnering up to offer the second annual 6-day rafting trip on Idaho's Salmon River. This exclusive gourmet food & wine trip will be the adventure of a lifetime!

Just like Elk Cove, Wet Planet was founded by a couple driven by their passions. Elk Cove and Wet Planet have designed a collaborative multi-day adventure on Idaho's Main Salmon River, featuring the best of Elk Cove's wine to toast each day's paddling in the stunning Frank Church Wilderness.
